

2014 Labatt Blue Top Dog Tournament
Results after 8:30 PM Shift

Rule changes, divisions are now based by average and not by gender. Top Dog and 1st qualifier now receive 1st round byes in finals unless both previous top dogs end up in same division (which is the case for the 184-division this year) only last year's 2 top dogs receive 1st round bye in finals. If there are no top dogs in a division (which is the case for the 185+ division this year) 1st and 2nd high qualifiers receive 1st round byes in the finals.

NOTE: Due to a disappointingly low turnout this year finals will only consist of a 8 team bracket meaning only 6 qualifiers in each division will advance.
